Index to JCCA Volume 41 (1997)

Abstracts 120
accessibility, pertinent case studies illustrating the need for laboratory accessibility for doctors of chiropractic: a clinical conundrum 231
Adams A: see Smith BMT, Adams A 91
adjustments, Canadian Chiropractic Association position statement: articular adjustments/spinal manipulation 7
ALTERNATE DISPUTE RESOLUTION: Steinecke R 117
atlas, a case report of a congenital cleft of the anterior atlas arch: a rare variant of the atlas mimicking fracture 9
attitudes, Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 145

back pain, before-after study to determine the effectiveness of an adjustable wood frame-foam and wool mattress bed-system (The Natura Mattress System) in reducing chronic back pain in adults 16
bed, before-after study to determine the effectiveness of an adjustable wood frame-foam and wool mattress bed-system (The Natura Mattress System) in reducing chronic back pain in adults 16
BEFORE-AFTER STUDY TO DETERMINE THE EFFECTIVENESS OF AN ADJUSTABLE WOOD FRAME-FOAM AND WOOL MATTRESS BED-SYSTEM (THE NATURA MATTRESS SYSTEM) IN REDUCING CHRONIC BACK PAIN IN ADULTS: Hagino C, Erfanian P 16
BIAS AND IGNORANCE IN MEDICAL REPORTING: Carey PF, Townsend GM 105
bibliography, whiplash – a selective annotated bibliography 91
Biggs L, Hay D, Mierau D: Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 145
Book Reviews 124, 249

CANADIAN CHIROPRACTIC ASSOCIATION POSITION STATEMENT: ARTICULAR ADJUSTMENTS/SPINAL MANIPULATION 7
CANADIAN CHIROPRACTORS' ATTITUDES TOWARDS CHIROPRACTIC PHILOSOPHY AND SCOPE OF PRACTICE: IMPLICATIONS FOR THE IMPLEMENTATION OF CLINICAL PRACTICE GUIDELINES: Biggs L, Hay D, Mierau D 145
CANADIAN CHIROPRACTIC RESOURCES DATABANK (CCRD): A PROFILE OF CANADIAN CHIROPRACTORS: Kopansky-Giles D, Papadopoulos C 155
Cardin AJ: see van der Velde GM, Nolet PS, Cardin AJ 9
Carey PF, Townsend GM: Bias and ignorance in medical reporting 105
CASE REPORT OF A CONGENITAL CLEFT OF THE ANTERIOR ATLAS ARCH: A RARE VARIANT OF THE ATLAS MIMICKING FRACTURE: van der Velde GM, Nolet PS, Cardin AJ 9
cervical, missed upper cervical spine fracture: clinical and radiological considerations 77
Charbonneau M: see Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36
cleft, a case report of a congenital cleft of the anterior atlas arch: a rare variant of the atlas mimicking fracture 9
CLINICAL LABORATORY IN CHIROPRACTIC PRACTICE: WHAT TESTS TO ORDER AND WHY?: Injeyan HS, Gotlib A, Crawford JP 221
clinical, the clinical laboratory in chiropractic practice – what tests to order and why? 221
congenital, a case report of a congenital cleft of the anterior atlas arch: a rare variant of the atlas mimicking fracture 9
Crawford JP, Gotlib A, Injeyan HS: Pertinent case studies illustrating the need for laboratory accessibility for doctors of chiropractic: a clinical conundrum 231
Crawford JP: see Gotlib A, Injeyan HS, Crawford JP 205
Crawford JP: see Injeyan HS, Gotlib A, Crawford JP 221

databank, Canadian Chiropractic Resources Databank: a profile of Canadian chiropractors 155
diagnosis, laboratory diagnosis in Ontario and the need for reform relative to the profession of chiropractic 205
dispute, alternate dispute resolution 117

Erfanian P: see Hagino C, Erfanian P 16
expert, writing an expert report 237

fracture, a case report of a congenital cleft of the anterior atlas arch: a rare variant of the atlas mimicking fracture 9
fracture, missed upper cervical spine fracture: clinical and radiological considerations 77

Gatterman MI: Teaching chiropractic principles through patient centered problems 27
Gotlib A, Injeyan HS, Crawford JP: Laboratory diagnosis in Ontario and the need for reform relative to the profession of chiropractic 205
Gotlib A: see Crawford JP, Gotlib A, Injeyan HS 231
Gotlib A: see Injeyan HS, Gotlib A, Crawford JP 221
Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C: Report of the Task Force on chiropractic research in Canada – a study to examine and make recommendations about the design, direction and implementation of a coordinated plan to support the development of research in chiropractic in Canada 36

Hadida C, Lemire JJ: Missed upper cervical spine fracture: clinical and radiological considerations 77

Hagino C, Erfanian P: Before-after study to determine the effectiveness of an adjustable wood frame-foam and wool mattress bed-system (The Natura Mattress System) in reducing chronic back pain in adults 16
Hay D: see Biggs L, Hay D, Mierau D 145
Herzog W: see Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36

immunization, pertussis immunization – an update 86
Injeyan HS, Gotlib A, Crawford JP: The clinical laboratory in chiropractic practice – what tests to order and why? 221
Injeyan HS: see Crawford JP, Gotlib A, Injeyan HS 231
Injeyan HS: see Gotlib A, Injeyan HS, Crawford JP 205

Kawchuk G, McArthur R: Scoliosis quantification – an overview 137
Kopansky-Giles D, Papadopoulos C: Canadian Chiropractic Resources Databank (CCRD): a profile of Canadian chiropractors 155

LABORATORY DIAGNOSIS IN ONTARIO AND THE NEED FOR REFORM RELATIVE TO THE PROFESSION OF CHIROPRACTIC: Gotlib A, Injeyan HS, Crawford JP 205
laboratory, pertinent case studies illustrating the need for laboratory accessibility for doctors of chiropractic: a clinical conundrum 231
laboratory, the clinical laboratory in chiropractic practice – what tests to order and why? 221
Lemire JJ: see Hadida C, Lemire JJ 77
Letters to the Editor
Toth EA: Implications of the agreement on internal trade for chiropractic regulatory bodies in Canada 52
Willson J: Implications of the agreement on internal trade for chiropractic regulatory bodies in Canada (in reply) 52
Lawrence DJ: Report of the Task Force on chiropractic research in Canada 119
Herzog W: Report of the Task Force on chiropractic research in Canada (in reply) 119
Whitney-Douglas RC: Pertussis immunization – an update 240
Werner WC: Pertussis immunization – an update 240
Mitchell MC: Pertussis immunization – an update 241
Dixon PH: Pertussis immunization – an update 241
Karout H: Pertussis immunization – an update 242
Nicholson WR: Pertussis immunization – an update 242
Côté MJ: Pertussis immunization – an update 243
Haitsma C: Pertussis immunization – an update 243
Reux MJ: Pertussis immunization – an update 244
Morgan LG: Pertussis immunization – an update (in reply) 244
Mitchell JC: Bias and ignorance in medical reporting 246
Carey PF: Bias and ignorance in medical reporting (in reply) 246
Lawrence DJ: Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 246
Hornick M: Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 247
Biggs L, Hay D, Mierau D: Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines (in reply) 247

manipulation, Canadian Chiropractic Association position statement: articular adjustments/spinal manipulation 7
McArthur R: see Kawchuk G, McArthur R 137
medical, bias and ignorance in medical reporting 105
Mierau D: see Biggs L, Hay D, Mierau D 145
MISSED UPPER CERVICAL SPINE FRACTURE: CLINICAL AND RADIOLOGICAL CONSIDERATIONS: Hadida C, Lemire JJ 77
Morgan LG: Pertussis immunization – an update 86

natura, before-after study to determine the effectiveness of an adjustable wood frame-foam and wool mattress bed-system (The Natura Mattress System) in reducing chronic back pain in adults 16
Nolet PS: see van der Velde GM, Nolet PS, Cardin AJ 9

Papadopoulos C: see Grier A, Charboneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36
Papadopoulos C: see Kopansky-Giles D, Papadopoulos C 155
patient, teaching chiropractic principles through patient centered problems 27
PERTINENT CASE STUDIES ILLUSTRATING THE NEED FOR LABORATORY ACCESSIBILITY FOR DOCTORS OF CHIROPRACTIC: A CLINICAL CONUNDRUM: Crawford JP, Gotlib A, Injeyan HS 231
PERTUSSIS IMMUNIZATION: AN UPDATE: Morgan LG 86
pertussis, pertussis immunization – an update 86
Peterson D: see Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36
philosophy, Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 145
position statement, Canadian Chiropractic Association position statement – articular adjustments/spinal manipulation 7

practice guidelines, Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 145
practice, the clinical laboratory in chiropractic practice – what tests to order and why? 221
principles, teaching chiropractic principles through patient centered problems 27
profile, Canadian Chiropractic Resources Databank (CCRD): a profile of Canadian chiropractors 155

quantification, scoliosis quantification – an overview 137

radiological, missed upper cervical spine fracture: clinical and radiological considerations 77
reporting, bias and ignorance in medical reporting 105
REPORT OF THE TASK FORCE ON CHIROPRACTIC RESEARCH IN CANADA: A STUDY TO EXAMINE AND MAKE RECOMMENDATIONS ABOUT THE DESIGN, DIRECTION AND IMPLEMENTATION OF A COORDINATED PLAN TO SUPPORT THE DEVELOPMENT OF RESEARCH IN CHIROPRACTIC IN CANADA: Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36
research, report of the Task Force on chiropractic research in Canada – a study to examine and make recommendations about the design, direction and implementation of a coordinated plan to support the development of research in chiropractic in Canada 36
resolution, alternate dispute resolution 117

SCOLIOSIS QUANTIFICATION – AN OVERVIEW: Kawchuk G, McArthur R 137
scope, Canadian chiropractors' attitudes towards chiropractic philosophy and scope of practice: implications for the implementation of clinical practice guidelines 145
Smith BMT, Adams A: Whiplash – a selective annotated bibliography 91
Steinecke R: Alternate dispute resolution 117
Steinecke R: Writing an expert report 237
study, before-after study to determine the effectiveness of an adjustable wood frame-foam and wool mattress bed-system (The Natura Mattress System) in reducing chronic back pain in adults 16
study, report of the Task Force on chiropractic research in Canada – a study to examine and make recommendations about the design, direction and implementation of a coordinated plan to support the development of research in chiropractic in Canada 36

task force, report of the Task Force on chiropractic research in Canada – a study to examine and make recommendations about the design, direction and implementation of a coordinated plan to support the development of research in chiropractic in Canada 36
TEACHING CHIROPRACTIC PRINCIPLES THROUGH PATIENT CENTERED PROBLEMS: Gatterman MI 27
test, the clinical laboratory in chiropractic practice – what tests to order and why? 221
Townsend GM: see Carey PF, Townsend GM 105

van der Velde GM, Nolet PS, Cardin AJ: A case report of a congenital cleft of the anterior atlas arch: a rare variant of the atlas mimicking fracture 9
Vernon H: see Grier A, Charbonneau M, Herzog W, Peterson D, Vernon H, Papadopoulos C 36

WHIPLASH – A SELECTIVE ANNOTATED BIBLIOGRAPHY: Smith BMT, Adams A 91
WRITING AN EXPERT REPORT: Steinecke R 237

CHIROPRACTIC FOUNDATION FOR SPINAL RESEARCH

The C.F.S.R. is a registered Charitable foundation dedicated to quality Chiropractic research. We appreciate your continued support.
